I've decided to enroll at KDCP, what's next?

Step 1: Select a class code and orientation code from the attached lists.
 Step 2: Complete the registration form. Please include the class code and orientation code in the upper right corner. Complete payment information on the bottom of the form. **To ensure your class choice and to speed up the check-in process, please turn in registration form early.**
 Step 3: Attend the Orientation and take Diagnostic Test 1. The Orientation is for parents and students. Please arrive 15 minutes early for check-in. Students should bring a calculator for the Diagnostic Test.

Orientation – 1.25 hours
 At the first meeting the orientation will supply students and parents with a complete outline of our course and all of the supplemental activities. After attending one of these informative sessions you will have a strong understanding of what is expected.

Diagnostic Test #1 – 2.5 hours
 Students will take a diagnostic test that provides us with important testing and placement information. Students need to take their diagnostic test before attending any of the first 10 lessons.

Lessons – 2 hours
 Together, our 14 lessons are designed to cover every aspect of the PSAT/SAT. Students participate in activities that provide test-taking strategies designed to maximize student performance on an SAT and PSAT. Students take and review tests and are provided with homework, addendums, and vocabulary lists for independent practice.

- V1, M1, V2, M2, V3, M3, V4, M4, V5, and M5 can be taken in any order; however, it is recommended that V3 be taken before V4
- V6, M6, V7, and M7 can be taken in any order after completing Test 2

Diagnostic Test #2 – 4 hours
 Through the lessons, students develop the skills that allow them to be more successful on tests. During practice tests students build test-taking endurance and benchmark their progress. Diagnostic Test #2 must be taken before attending subsequent lessons. Upon arriving for any additional practice tests, students will choose a Test Review time to come back at a later date for an instructor-led review of their test.

Diagnostic Testing

Option 1: On the registration form, indicate your 2011 PSAT test results in the space provided.

Option 2: Complete the 2.5 hour KD diagnostic test before attending lessons.

This test can be completed anytime during office hours or immediately following certain orientations.

Parent & Student Orientation

Enrolled KD students and parents are encouraged to attend our 90 minute orientation in order to understand our program's components, recommendations, and expectations. **If needed, you may register and start attending lessons prior to attending the orientation.**

Please choose an orientation from the list below and indicate your selection on your registration form.

KDCP ENROLLMENT AGREEMENT

Fees and Arrangements:

1. The fee for the PSAT, SAT, ACT, SAT Subject Tests preparation course is outlined in the fee schedule. All class materials are included in this fee. Payments must be received by participation in your first activity at KDCP. Students who are not fully paid, or current with their payment plan at this time may be removed from participation at KDCP until payment is received.
2. KDCP reserves the right to alter the course schedule or cancel courses as necessary.
3. Class roll will not exceed 12 students, and applications will be accepted on first-come, first-serve basis.
4. We reserve the right to dismiss any student without refund if the student or parent is disruptive or destructive.
5. Checks returned for insufficient funds may be charged a \$35 processing fee.

Attendance and Make-ups:

1. **Students in our "Complete Program"** are expected to attend all classes. If an absence is unavoidable, the student must promptly contact the office for a make-up schedule.
2. A student may make-up classes on a space available basis by attending the same lesson with another class at no additional charge. Please see make-up procedures in your KD notebook.
3. **Students taking "One-on-One" sessions** who wish to cancel a session must notify us before the close of our office on the day before the tutoring session. If notice is not received by closing time the day prior to the session, the student will be charged for that session.

KDCP Score Improvement Guarantee:

Students in the 9th through 12th grades who are participating in our "Complete Program" may stay with us and continue to prepare for further improvement under our direction at no additional charge until they graduate from high school. 11th and 12th graders will attend one series of lessons, 10th graders will attend two series of lessons, and 9th graders will attend three series of lessons. This guarantee is not applicable for students in the Pre-high school programs or for one-on-one students.

Agreement:

I have read the terms stated above and understand that in order for my student to raise his or her score he or she must do the following:

-  Attend all recommended classes in each participating school year *
-  Attend recommended workshops each month *
-  Work in the vocabulary lab as recommended *
-  Complete the homework assignments before each class*
-  Take the recommended number of practice tests and attend the test reviews before each test date *
-  Register for the PSAT, SAT, or ACT as recommended *

** See list of recommended activities in KDCP Student Notebook. Recommendations vary according to grade level and goals.*

Refund Policy:

A refund may be obtained if a student decides not to continue a pre-paid, "Complete Program" prior to the conclusion of the initial set of scheduled classes. The refunded amount will equal the total paid-in-full fee, less a prorated amount for each scheduled class conducted, and less a \$100 administration fee. To qualify for the refund, a withdrawal notice must be received in writing by our office prior to the final session of the student's originally scheduled classes, and all materials provided must be returned to Karen Dillard's College Prep. This refund will not include classes missed prior to receipt of the withdrawal notice. No refund is available for students whose initial set of scheduled classes have concluded.
